**Class of 1966 Website**

<http://www.tiger66.org>

Dear Classmate:

Welcome to the 2009-2010 Princeton University school year and our 43<sup>rd</sup> Reunion Year. As always we have a great deal to offer our classmates and friends through the time and efforts of many involved '66ers.

The Alumni Council and several of our own welcomed the Class of 2013 to Princeton with a more recent tradition called the Pre-Rade. It is hard to imagine that we were welcomed at Richardson 47 years ago. Many of us remember the admonitions and statistics that put us in our place. When I see the quality of the freshman class today, I fear I would be put in a very different place today – like some other university.

**Plohn Hall Reception Yale Weekend**

Charles and Dorothy Plohn once again are hosting returning '66ers to their home on Library Place following the Yale Game on November 14, 2009. This class tradition is one of the best gatherings of the class each year. We've been told many football team members will be back for a reunion of the undefeated Princeton Football team of 1964 and we expect we'll see more of them at the Plohns.

**Honorary Classmates**

At the last meeting of the Executive Committee of your Board, two familiar faculty members were nominated for Honorary Classmate status. The Board unanimously recommends their election to you.

The first candidate is Anne-Marie Slaughter, Director of Policy Planning for the US State Department, reporting to Secretary of State Hillary Clinton. Formerly the Dean of the Woodrow Wilson School and Bert G. Kerstetter '66 Professor of Politics and International Affairs, Anne-Marie and her husband Andrew Moravcsik have been speakers for our Alumni Day dinners. They spoke last February about their year abroad in China.

Andrew Moravcsik is likewise a Professor of Politics and International Affairs at Princeton. His expertise is in European politics and he has a passion for opera.

Please send your vote to me at [bbreuel@staying-wealthy.com](mailto:bbreuel@staying-wealthy.com) or by mail to 100 Hodge Road Princeton, NJ 08540.

**Class Treasurer**

Congratulations and thanks to David Kinard '66 who recently accepted the draft to serve as our new Treasurer. Dave replaces John Nagorniak who had asked to step down as he recovers from surgery. We extend a boisterous locomotive to John for his unselfish and diligent service to not only our class but to Old Nassau as well. John has been a mainstay in the Office of Planned Giving. We wish John a full recovery.

~over please~

### **Princeton Prize in Race Relations and Henry Von Kohorn**

Congratulations to Henry for his election to the post of Vice President of the Alumni Council. As a result of Henry's generous offer to enter the chairs toward the Presidency, he has resigned as President of the Princeton Prize. As you know Henry conceived of the Prize and nurtured it to realization with the help of a committed Board and the University's funding. The PPRR is now in 23 regions and has made a positive impact in promoting racial harmony and understanding. The Class of 1966 has adopted the Princeton Prize as a class project. In addition individual class members subsidize the annual Symposium in Race Relations. Check out the PPRR at [www.princeton.edu/pprr/](http://www.princeton.edu/pprr/).

### **Class Dues**

We have enclosed the dues envelope for our annual class dues. This is an important request for us. The dues support the mailing of the greatly improved Princeton Alumni Weekly magazine and website. It also helps subsidize events such as mini-reunions and Alumni Day activities. Please be generous. The Board has unanimously decided to accept contributions in excess of the suggested dues.

### **Officers Meeting Yale Weekend November 14, 2009**

The officers will meet in Scully Hall in the Class of 1966 Lounge at 9:30 AM on the day of the Yale game. All classmates are welcome to attend. Please RSVP.

Have a great Fall season,

Brian H. Breuel, President  
Princeton University Class of 1966
